

My ScriptRewards

How it works for participants:

A program that shares cost savings and promotes access to clinically-effective medications.

Individuals can earn up to **\$500** in prepaid debit cards annually to use toward other prescriptions, doctor's office copays and other medical expenses.

*UnitedHealthcare does not provide tax, legal or accounting advice. Please talk with your tax advisor for specific advice on how to use and report this reward.

Helping Manage High-Cost Medical Conditions

\$380,000
ESTIMATED

will be the first medications included.
