

# Our culture

The people of this company are aligned around values that guide our behavior as individuals and as an institution.

## Integrity

We do the right thing and follow through on our shared commitment to quality.

---

## Compassion

We listen, advocate and act with urgency for those we serve and our colleagues.

---

## Inclusion

We welcome, value, respect and hear all voices and diverse points of view.

## Relationships

We work together to deepen connections and collaboration for better outcomes.

---

## Innovation

We invent a better future by learning from the past.

---

## Performance

We strive for high-quality results in everything we do.

---

## To achieve our mission:

We seek to enhance the performance of the health system and improve the overall health and well-being of the people we are privileged to serve and their communities.

We work with health care professionals and other key partners to expand access to high-quality health care so people get the care they need at an affordable price.

We support the physician/patient relationship and empower people with the information, guidance and tools they need to make personal health choices and decisions.
