

District of Columbia Medicare Advantage Beneficiaries Receive Better Value and Spend 30% Less than Beneficiaries in Medicare FFS

22% (21,325) of Medicare beneficiaries in District of Columbia were enrolled in Medicare Advantage (MA) in 2020.

The average Medicare Advantage and Prescription Drug (MA-PD) plan beneficiary in District of Columbia spends:

\$1,303 Less than a beneficiary in District of Columbia who enrolls in traditional **Medicare Fee-For-Service (FFS) and a prescription drug plan (PDP)**

\$1,678 Less than a beneficiary in District of Columbia who also purchases **Medigap Plan G as supplemental coverage for medical out-of-pocket costs**

Annual Health Care Spending by Comparable Medicare Beneficiaries in District of Columbia, 2020

Within All Age Groups, District of Columbia's Beneficiaries in MA-PD Spend Less than those in Medicare FFS

\$1,079 to \$1,517 Less
than a **65-year old** FFS
beneficiary in average health

\$1,688 to \$2,097 Less
than an **85-year old** FFS
beneficiary in average health

In addition to the dental, vision, and hearing benefits typically offered, **the average MA-PD beneficiary in District of Columbia receives \$140 in annual supplemental benefits**, such as care coordination, meals and non-emergency transportation, not offered by Medicare FFS.
