

# New York Medicare Advantage Beneficiaries Receive Better Value and Spend 44% Less than Beneficiaries in Medicare FFS

**44% (1,630,513) of Medicare beneficiaries in New York were enrolled in Medicare Advantage (MA) in 2020.**

The average Medicare Advantage and Prescription Drug (MA-PD) plan beneficiary in New York spends:

**\$1,317 Less** than a beneficiary in New York who enrolls in traditional **Medicare Fee-For-Service (FFS) and a prescription drug plan (PDP)**

**\$3,151 Less** than a beneficiary in New York who also purchases **Medigap Plan G as supplemental coverage for medical out-of-pocket costs**

## Annual Health Care Spending by Comparable Medicare Beneficiaries in New York, 2020

## Within All Age Groups, New York's Beneficiaries in MA-PD Spend Less than those in Medicare FFS

**\$1,127 to \$3,408 Less**  
than a **65-year old** FFS  
beneficiary in average health

**\$1,650 to \$2,603 Less**  
than an **85-year old** FFS  
beneficiary in average health

In addition to the dental, vision, and hearing benefits typically offered, **the average MA-PD beneficiary in New York receives \$105 in annual supplemental benefits**, such as care coordination, meals and non-emergency transportation, not offered by Medicare FFS.
