

Uncover solutions that innovate health care through consulting

UnitedHealth Group is a health care and well-being company that's dedicated to improving the health outcomes of millions around the world. We are composed of two distinct and complementary businesses, UnitedHealthcare and Optum, working to build a better health system for all. Make an impact with a diverse team that's focused on **Caring. Connecting. Growing together.**

Launch your career with our Consulting Development Program (CDP)

The CDP will develop your career as an exceptional consulting leader. Take on challenging project-based work while receiving comprehensive training and driving progress in health care.

You will:

Be part of a 2-year development program that jumpstarts your foundations with a 2-week bootcamp.

Be part of an on-site cohort in Washington D.C., Eden Prairie, MN or Nashville, TN.

Take on projects that improve the health care system through development-focused coursework.

Take on additional networking and leadership activities with your cohort.

Be able to join Employee Resource Groups to strengthen your sense of belonging with our diverse team communities.
